

# Islam Elswafy

## Senior React Native Developer

Country : Egypt | E-Mail: [islamelswafy30@gmail.com](mailto:islamelswafy30@gmail.com) | Mobile: +20 1097395409 | LinkedIn: [Islam Elswafiy](#)

### SUMMARY

Results-driven Senior React Native Developer with 3 + years of hands-on experience building fast, responsive web and mobile apps with React, React Native .Adept at crafting intuitive UIs, architecting reusable component libraries, and integrating RESTful APIs to deliver business value quickly.

### PROFESSIONAL EXPERIENCE

Senior Full Stack Developer | Savvy Software Technology (October 2022 - PRESENT) | Remote, Egypt

#### Social Media Platform

- Designed the end-to-end architecture (React + TypeScript front-end, Node.js/Express API, PGAdmin Atlas).
- Deployed on VPS configured CI/CD with GitHub.

#### AI Chatbot Development

- Built interactive AI chatbot using React and natural language processing
- Implemented RESTful API integrations for dynamic responses

#### Travel Application

- Developed comprehensive travel platform with React
- Orchestrated a backend (Node.js, NestJS) for flights, hotels, and user itineraries.

#### Car Marketplace Platform

- Created dynamic car marketplace using React/TypeScript
- Implemented real-time search and filtering features

### KEY PROJECTS

#### React Native Developer | Graphinion

- Architected and developed a scalable social media application using React and TypeScript
- Implemented advanced state management with Redux
- Created reusable component libraries to standardize UI/UX across the platform

#### React Native Developer | Tripplanner

- Designed and built a travel application, from the ground up.
- Built backend architecture for flights, hotels, and user itineraries; employed CQRS for write/read scalability.
- Implemented advanced search and filtering mechanisms for travel resources

#### React Native Developer | Blox

- Designed and built a dynamic marketplace app for renting and selling cars.
- Implemented advanced features for marketplace listings and transactions.

#### React Native Developer | ElAvvocato

- Architected and developed a comprehensive law firm management application
- Designed and implemented a robust admin panel with granular access controls
- Created secure document handling system with end-to-end encryption
- Developed role-based authentication system to ensure data confidentiality and secure access management
- Integrated multiple APIs for seamless communication between frontend and backend systems

### TECHNICAL SKILLS

- React Native, TypeScript, JavaScript (ES6+) ,Node.js, Express, Nest js
- React, Expo Go , Vite
- Tailwind CSS , MUI Material , Styled-Components
- Redux, Context API, Zustand , RESTful APIs
- Git/GitHub CI/CD (GitHub Actions), Performance optimisation

### EDUCATION & CERTIFICATIONS

- Full Stack Python Scholarship | Information Technology Institute (ITI) | 2022
- B.A. in Media and Press | Faculty of Arts, Assiut | 2020

### LANGUAGES

- Arabic (Native)
- English (Professional working proficiency)
